At last! We've been waiting to meet you for ages, Adele.
Oh really? Don't tell me, you've always wanted to have good, hard sex with an ex-Page 3 girl?

No, we just wanted to give you all the fan mail we've been sent since you appeared in our free *Page 3 Nudes* book.
[Laughs] Oh you say the nicest things. Well I'll be glad to take them off your hands for you. So, you don't want sex with me?

Erm… er… can we say yes without sounding really pervy?
Whatever you say, I'm back off to California within two hours so I can't hang around very long.

That's no bother. We'll only take a couple of minutes at the most.
When I get back home, I've got a gang of gorgeous boyfriends to go out and party with, and some equally attractive friends in the biz to see. And you want me to hang around here with you?

We see your point. What about giving us a little something just to remember you by?
Yeah, I'm up for that. I'll be wanting to use my hands for it, though.

Huh? Now this sounds like more like it!
No problem, gents. Here, I'll sign a copy of Mayfair*! [Laughs] Has anybody got a pen on them?* Ⓜ

Welcome to *Mayfair*, ladies. We're *very* pleased to see you!

Janine: Thanks for having us. Or should I say, thanks for watching us having each other!

Jenna: So are you Brits pleased with our efforts? We went all out for it.

We can see that! Did you enjoy it?

Janine: Oh yeah. It was full-on and made me really hot. When Jenny shaved my pussy I felt really exposed, really naked.

Jenna: It was very sexy. We needed that champagne to help cool our bodies down!

This is one hell of a good way to build a fan base.

Janine: And one hell of a way to get off! That's what makes this job so much fun, knowing people are getting their rocks off while I get mine!

So what's next for you both?

Janine: Back to the hotel I reckon.

Jenna: Yeah, for a private celebration – with champagne!

So, you've quit your job at last?
Yes, you're looking at a full-time glamour model now. I've kissed goodbye to a career in tourism… for a job in which I get to travel all over the world! Weird how it goes, huh?

And how do you like all the adoration from your fans?
It gives me a thrill, it really does. Fan mail is coming in thick and fast – just the way I like it!

There's one bloke in particular who writes quite a bit, isn't there?
Yeah, one guy regularly sends me some very sexy letters, one a week on average. I won't say his name but he knows who he is!

Still looking after those horses, Tina?

Yes, I'm still looking after them. I love them and I put them before everything else.

Before men?

Hi, Alex. Erm… we think we've got some explaining to do.
I should say so! This was a weird shoot. What was it you were trying to do again?

We wanted it to look like you were a qualified masseuse waiting for a client who doesn't show up.
And so ends up stripping on her own?

Er, yes. We apologise.
What a sorry story. You're like those men who try really false chat-up lines trying to get into my knickers.

It worked, didn't it?
Yeah, but at least those men buy me loads of drinks. You haven't given me one!

We'd love to give you one!
Yeah, yeah, very funny. So what's my next shoot going to be?

How about a writer who really wants to work on *Mayfair* so she ends up…
[Interrupting] Hold on, hold on… I think I can guess the rest of this sordid scenario.

No good?
I've got it. How about I strip off, you take photos of me and then I go home to fuck my boyfriend senseless?

Cool idea!
It's based on today's events. In fact, this is the final scene. Byeeeeee!

Brought your own toy to the shoot, Dill?

No, this isn't one of mine. If I had been told beforehand I would have, though. The thing is, I don't suppose I could have got it on the train!

Is it that big?

Biggest I've ever seen.

You're kidding!
Well, my handbag isn't all that big, so if I'd have brought it to the set it would have been poking out for all to see.

Could have livened up your journey no end.
[Laughs] I suppose so! Think of all those men I could have wound up. Who knows, if I flirted enough with the conductor I could have made the trip for free.

Now there's a moral to the story. Always keep a huge dildo at hand.
At hand, at feet, and all the places in-between!

Did you get to keep that black one?
Boy, yeah! I deserved it after all that hard work. Since then we've both become very close!

Lovely pair, Jasmine.
Say again?

That pair of tights – very nice indeed.
Oh, I thought you were talking about my tits.

Well actually we were.
Thought so. Not all men speak their minds. They seem to find my boobs imposing, you know.

Impose them on us!
I couldn't. You'd end up with black eyes – from my boyfriend!
